

Afterschool

Stay & Play is a school based afterschool programme which is located on the school grounds. We pride ourselves in providing quality care which is active and fun. Lots of activities are offered to the children daily alongside supervised homework.

Stay & Play is registered under Tusla and parents can avail of discounts under the NCS.

The programme operates alongside the school calendar and therefore is a 37week programme.

Parents are offered three different sessions, Monday - Friday:

Karen Reilly is originally from Athlone and has been living in Louisburgh since 2019. She has a background in education and chaplaincy work. She also worked as a creche manager for six years before moving west. Early years education is her passion and creativity her strength, bringing a world of learning through play to children. After serving almost four years running afterschool services she is delighted to become part of the Lecanvey NS team.

I just want to take this opportunity to welcome Laura to Stay & Play, Lecanvey NS. Laura is our new Room Leader and has a wealth of experience working with young people. Laura worked at Galway Aquarium where her role involved:

- Carrying out an educational program in marine science and environmental education with school children.
- Taking groups of school children to the beach on rock pool safaris and litter picks.
- Helping children with additional needs with learning and activities in the aquarium.
- Carrying out an educational program in marine science and environmental education with school children.
